

JIM'S ORGANIC COFFEE®

From farm. To roast. To brew.™

FOOD SERVICE PARTNERSHIPS

Jim's Organic Coffee is the perfect coffee for any cafe, coffee bar, hotel or office, with a wide variety of dark, medium and light roasts to please every customer. Create your signature drinks with our coffees, or use our tried and true recipes to create a new coffee drink menu.

Just a few examples include:

Food Service Partnerships

Jim's Organic Coffee is certified organic, shade grown, and fairly traded. As a wholesaler, we partner with a wide range of food service outlets, developing programs with restaurants, cafes, and institutions alike to deliver consistently excellent coffee. Connect with us at info@JimsOrganicCoffee.com for more information and to learn how Jim's Organic Coffee can be brewed and served in your coffee location. We look forward to working with you!
