# AHS | AMERICAN HOSPITAL SUPPLY

## CAPABILITY STATEMENT

### Core Competencies

American Hospital Supply is a full-service distributor of medical supplies. We partner with leading manufacturers of healthcare products to offer the best medical supplies to our customers. We quickly deliver supplies to homes, hospitals, physicians offices, schools, and other critically underserved patient areas. Our customers receive the best selection of medical supplies with affordable prices, fast shipping, and exceptional customer service.

### Past Performance

#### Customer References:
