

Postform Countertops

Postform laminate countertops offer a distinctive one-piece countertop that eliminates the seam between countertop surface, backsplash and front edge. Postform countertops look great, are very economical, durable and easy to clean.

A stainless steel sink and chrome, wing lever faucet is standard with all postform countertops. The faucet is 14.5" high with a 3" radius.

Sink may be positioned on the left or right, or center on a 72" cabinet. Please specify when ordering base cabinet and top.

Model includes sink and faucet. All models with postform countertops without sinks are special order.

SPECIFICATIONS
