

## **RC Imaging Weight Bearing Protector Limited lifetime Product Warranty**

RC Imaging warrants our Weight Bearing Covers to be free from defects in materials and workmanship under normal use and service conditions as described herein\*. If the product fails to meet or exceed its specified performance, RC Imaging will either repair or replace the product at our discretion. The repair or replacement remedy shall be the sole and exclusive remedy provided under this limited Product Warranty.

This Limited Warranty does not apply if, according to RC Imaging's absolute judgment, any of the following have occurred:

- Accidental damage, abuse, or neglect.
- Exceeded the weight bearing limits.
- Alteration or attempted repair by anyone other than RC Imaging.
- "Acts of God", including but not limited to; lightning, fire, flood, earthquakes, power failure surges or vandalism.
- The serial number or product specification and RC Imaging label have been removed or modified in any manner.

\*Normal use of this product does not include using the product to exert excessive force to lift or move other objects. Furthermore, the detector that is contained within the product is damaged to a point where it is not usable, we will conclude that the WBC has been misused and it will not be covered by this warranty.
