- Strong steel frame and base construction for unmatched durability.
- Seamless, easy-to-clean plastic work surface for convenience.
- Premium 5-in. diameter full-swivel casters make movement throughout the clinic a breeze.
- Dual locking casters keep cart securely in place.
- Ergonomic push handle can be added to either side of the cart.
- Premium soft-close return glides offer smooth, silent drawer closure.

Model #3500101

**Built with exceptional quality.
Designed to increase efficiency.**

5.57 cubic feet of storage

One 9-in. height drawer, two 6-in. height drawers and two 3-in. height drawers offer optimal storage.

Universal Key Lock

Single, central key lock secures all five drawers at the same time for effortless security.

Premium Casters

Full-swivel 5-in. diameter casters with parking locks offer exceptional maneuverability in tight spaces.

Soft close glides

Soft close glides ensure a smooth, silent drawer closure and take away the risk of pinched fingers.
