

# PORCINI SEA SALT

## DESCRIPTION

This sea salt is high purity, food grade sea salt, produced by an exclusive process of infusing all-natural spices and all natural sea salt.

## APPLICATIONS

This salt is intended as a finishing salt or for culinary use including cooking, baking, direct application, and food manufacturing.

## INGREDIENTS

Natural Sea Salt & Porcini.

## COLOR & FLAVOR PROPERTIES

This salt has a smoky earth flavor with a characteristic salty taste. No color additives are used. This blending process yields a tan to brown color.

## ALLERGENS

We are an allergen free facility. This salt does not contain any known allergens or specific components and is suitable for a variety of diets including Lactose Free and Gluten Free diets.

## ADDITIVES

No Additives, Free Flowing or Anti-Caking Elements have been added. Note, for specific applications, free flowing agents can be applied at customers request.

## PACKAGING AND STORAGE

Available in 5lb and 40lb food grade polypropylene bags. Ideal storage is a cool, dry area, relatively free of drafts, where humidity remains below 75%. Under these conditions, the shelf life is at least 3 years.

## PROCESSED AND PACKED

Everett, WA

## PALLETS

Standard pallet configuration 40 "x 48", 40 bags per pallet, height: 32".
