Meet Miss Jacobs

Classroom Decor

I'm Miss Jacobs (aka Miss Jacobs), and I've been an educator since 2010. Not long after I started teaching I also started designing and creating classroom decor and educational printables from scratch. Why? Because the daggy old stuff just wasn't cutting it!

□ I wanted to create a beautiful, functional and organized space that I felt excited to work in every day, and I wanted a warm and welcoming environment where my students could build a positive relationship with learning.

And so, Miss Jacobs Little Learners was born.

What teachers are saying...

Everything was neat, organized, and easy to use! As a first year teacher, I was overwhelmed by choosing a theme for my classroom, but this bundle had everything I needed! Thank you!

- Julia T.

I LOVE daisies so when I saw MJLL come out with this bundle, I bought it so fast! I've been prepping new labels and decor all summer and I can't wait to get back in the classroom to put everything up!

- Cyril Maei I.

SO BEAUTIFUL!!! I won't lie, neutrals are not my thing and I was kinda upset when I saw the Gingham Pastel, BUT it is absolutely beautiful now that I'm seeing it in my room and I will probably buy the pastel one for next school year!

- Mrs Karla Ileana

Can I give this 10 stars? These are so cute and useful. I get compliments all the time from teachers and parents on how adorable my room looks. LOVE IT!!

- Natalie D.

This bundle includes so many resources I wanted for my classroom! It is so pretty and easy to download, access, and print.

- Madison M.

I loved this entire bundle. It had so many options within each category and the quality of the graphics were fantastic.

- Katrina K.

I love using the Miss Jacob's Little Learners decor packs! This is the second one I have purchased and cannot wait to give my classroom a fresh new theme for the new year!
