# Meet Miss Jacobs

## Classroom Decor

I'm Miss Jacobs (aka Miss Jacobs), and I've been an educator since 2010. Not long after I started teaching I also started designing and creating classroom decor and educational printables from scratch. Why? Because the daggy old stuff just wasn't cutting it!

□ I wanted to create a beautiful, functional and organized space that I felt excited to work in every day, and I wanted a warm and welcoming environment where my students could build a positive relationship with learning.

And so, Miss Jacobs Little Learners was born.
