Meet Miss Jacobs

Your BFF in the classroom

Hi there!

I'm Miss Jacobs (but you can call me Chantelle) and I've been an educator since 2010. Not long after I started teaching I also started designing and creating classroom decor and educational printables from scratch. Why? Because the daggy old stuff just wasn't cutting it.

I wanted to create a beautiful, functional and organised space that I felt excited to work in every day. I wanted a warm and welcoming environment where my students could build a positive relationship with learning.

And so, Miss Jacobs Little Learners was born.
