

## The Special Education Community Advisory Committee (CAC) for CUSD

### What does CAC do?

Holds monthly meetings which provide parent education, a chance to connect with other families, and regular reports directly from special education administration.

Works directly with special education administration to improve programs, and services for students, and communication with families.

CAC has a collaborative relationship with PTSA. Many schools have a special education parent representative on their site's PTSA. Contact your PTSA president to get involved!
