

IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING THIS APPLIANCE

WARNING: TO REDUCE THE RISK OF FIRE.

ELECTRIC SHOCK, OR INJURY:

- Do not leave appliance when plugged in. Unplug from outlet when not in use and before servicing.
- Do not use outdoors or on wet surfaces
- Do not allow to be used as a toy. Close attention is necessary when used by or near children.
- Use only as described in this manual. Use only manufacturer's recommended attachments.
- Do not use with damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center.
- Do not pull or carry by cord, use cord as a handle, close a door on cord, or pull cord around sharp edges or corners. Do not run appliance over cord. Keep cord away from heated surfaces.
- Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
- Do not handle plug or appliance with wet hands.
- Do not put any object into openings. Do not use with any opening blocked;
 keep free of dust,lint, hair, and anything that may reduce air flow.
- Keep hair, loose clothing, fingers, and all parts of body away from openings and moving parts.
- Turn off all controls before unplugging.
- Use extra care when cleaning on stairs.
- Do not use to pick up flammable or combustible liquids, such as gasoline,
- or use in areas where they may be present.Do not pick up anything that is burning or smoking, such as cigarettes,

2

matches, or hot ashes.

- Do not use without dust bag and/or filters in place
- Always turn off this appliance before connecting or disconnecting
- any other servicing should be performed by an authorized service representative

WARNING

To reduce the risk of electric shock, this appliance has a polarized plug (one blade is wider than the other). This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not change the plug in any way.

Power	600 W	Noise level	≤79 dB
Product N.W.	1.6 kg	Dust Cup Capacity	0.6 L
Suction	≥18 kPa		

Warranty

This vacuum cleaner has been warranted to be free of defects in material and workmanship for a period of 1-year from the date of original purchase when used in accordance with the operating and maintenance instructions and under normal household usage. This warranty is granted only to the original purchaser, and is applicable only to original purchases.

We will repair or replace a defective vacuum or part that is covered by this warranty. Repairs will be performed using new or refurbished parts that meet or exceed our specifications for new parts. If we replace the vacuum, the replacement may be a reconditioned unit. Depending on availability, we reserve the right to provide you with a replacement product that is the same or similar to the original product.

The warranty does not cover normal wear and tear of the vacuum and vacuum accessories that require replacements such as dust bags, filters, bristles, and cleaning

This warranty is only valid if the appliance has been used in accordance with the instructions of the manual, and provided that it has not been modified, repaired, or interfered with by an unauthorized party, or damaged from misuse.

In order to obtain warranty service, you must contact our support team to discuss warranty claims and procedures. All warranty claims must include proof of purchase, which may include date of purchase, purchaser's name, and anything that will help identify the legitimacy of the purchase.

We will not be responsible for the initial shipping and insurance charges if the defective product must be shipped for warranty service or evaluation. However, we will pay return shipping if the repairs are covered by the 1-year warranty. Please provide the model, type, and serial number when returning the vacuum.

Your relief for the breach of this warranty is limited to the relief expressly provided above. In no circumstance shall the manufacturer be liable for any consequential or incidental damage you may incur in connection with your purchase or use of the vacuum. Some states do not allow for the exclusion or limitation of incidental or
