

## 125 kHz Antennas

### SAT-AF-P-125kHz und SAT-A4-P-125kHz

SAT-AF-P-125 kHz

SAT-A4-P-125kHz

antennas in industrial housing for use with a scemtec 125kHz reader/writer

**Technical Data:**

Type:	Info:	Size:	Order No.:
SAT-AF-P-125kHz-K02	ferrite core, standard proximity switch cylindrical case with outer mounting thread, water and dust protected antenna, no connector, cable length 0,6m	d = 18mm; l = 62mm	400.0017
SAT-A4-P-125kHz	water and dust protected antenna for industrial applications, including cable, connector, square case	210 x 210 x 10 mm	400.0008
