Materials

1 *Snow Day* Panel – cut out shapes for applique

Print for banner front	1 yard
Print for banner back	1 yard
Batting	9 squares – 11½"x11½"
Decorative ribbon- ½" width	4 yards
Temporary fabric adhesive spray	1 can

Cutting

From Snow Day panel, cut:
 Snow bodies, outfits and accessories
 Arrange into 9 different groups

From print for banner front, cut:
 3 strips, 11½"x40"
  Subcut: 9 squares, 11½"x11½"

From print for banner back, cut:
 3 strips, 11½"x40"
  Subcut: 9 squares, 11½"x11½"

Assemble Blocks

1. Spray wrong sides of all 11½"x11½" fabric squares with temporary adhesive.

2. Layer a 11½" square of batting between each banner front and back (sticky sides toward batting).

3. Press firmly together.

Assemble Snow People

4. Starting with bottom layer and using adhesive spray, sew each shape to block center stitching up to ¼" in from edge.

5. Smaller shapes may require a single line of stitching through the middle only.

6. Using the template given, trace jagged line onto block sides only then trim on drawn line.

7. Stitch ¼" in from outside edge around each block.

8. Make a button hole in the upper right and left corners of each block within outline stitching.

9. Embellish snow people with buttons, beads, sequins and threads !

Use templates to trace stitching line on blocks.
