

Washing Instructions

1. Scrape, shake or rinse solids into the toilet.

2. Store used nappies in a dry pail or wetbag. Do not soak.

3. Cold prewash every 1-2 days. Wash up to 40 degrees c for at least 45 minutes. You can use half a dose of powder.

4. Main wash every 2-3 days. Wash at 40 or 60 on the longest washing cycle. Use a full dose of powder.

5. Hang to dry. Inserts may be tumble dried on low if necessary.
