

Warranty + Clearlight®

The More you use it the Longer it Lasts

Clearlight® Infrared Sauna Limited Lifetime Warranty*

No one builds saunas like Clearlight®. That's why every one of our residential saunas comes with a limited lifetime warranty.

In the rare event that you have an issue, our limited lifetime warranty covers the entire sauna including the heaters, controls, electrical, wood, and even the audio system – so you never have to worry if anything goes wrong.

If you are using your sauna in a commercial location, you are still covered under our 5-year warranty. When it comes to comparing the warranties that other manufacturers offer, you'll find no one comes close to Clearlight®. See for yourself.
