

**COMMANDER**
SERIES 2

The Commander provides the optimum overt protection solution. Purpose-built for unparalleled protection, the Commander offers malleability and toughness, with versatility and comfort. Featuring a Cordura® carrier, this tactical vest is complete with fully adjustable waist and shoulder straps, and can be upgraded with hard ballistic plates through the vest's front and back modular SAPI pockets.

This customisable overt solution has been engineered to provide maximum protection within high-risk environments.
