

FLOATATION VEST

SERIES 2

The Series 2 Flotation vest is based on our Commander Series 2 model but with a life jacket incorporated into the vest. It is a versatile lightweight tactical vest, complete with front, rear and side protection.

It has protective soft panels, but can also be upgraded with hard armour plates for Level III or IV ballistic protection.

This innovative product is utilized by Coast Guards and Navies across the world's most demanding marine environments.
