A VISION OF GLOBAL REACH.

A VISION OF GLOBAL REACH.

FABER has a lot in common with air ... both are present all over the world.

Air has always been our chosen material. Now the world is our home. So it's only natural we should want to improve them both. Installing a kitchen hood is an easy way to improve the air in your home, of course, but only thanks to Faber. After all, we invented the kitchen hood, and we are making them better every day to provide our customers with the ultimate performance, quality and comfort.

Aspiring to a better world through leadership. Everywhere, every day.
