REAL LOW-CARB FOODS MADE EASY

Dear Store Manager,

My name is _____, I'm a regular and loyal customer of your store. I would like to request your store to stock Dals Foods Products. They have low-carb, grain-free, gluten-free, soy-free, and sugar-free products. I know there are many factors you consider when deciding products to carry for your shoppers, but I'm hoping that you'll consider my request because I want easy accessibility for these products.

Thanks in advance, please let me know when the products become available !
