

Warranty

At Courant we are dedicated to making the best quality products. Your product is under warranty for 1 year under normal use, from the original date of purchase by a consumer (the “Warranty Period”). The Customer must own the product. This warranty does not affect any statutory rights that you may be entitled to. Keep a copy of your purchase receipt as proof of purchase and for full terms.

If a material or workmanship defect arises with regard to any Courant product, and a valid claim is received within the Warranty Period, we will at our option, either repair the product using new or refurbished parts, replace the product with a new or refurbished Courant product, or refund the purchase price of the defective Courant product. For the purpose of this limited warranty, “refurbished” means a product or part that has been substantially returned to its original specifications.

Except for the limited warranty expressly set forth or to the extent restricted or prohibited by applicable law, Courant expressly disclaims any and all other warranties (express or implied) including any warranty of quality, merchantability, or fitness for a particular purpose, and you specifically agree that Courant shall not be liable for any special, incidental, indirect, punitive, or consequential damages for breach of any warranty of any type on any Courant product. In addition to and without limiting the generality of the foregoing disclaimers, the limited warranty does not under any circumstances, cover the replacement or cost of any electronic device or personal property inside or outside the Courant product. For the avoidance of doubt, the limited warranty does not cover damages that arose from negligence, misuse, wear-and-tear or failure to follow the product instructions.
