DIRECTIONS FOR USE

NOVITHOR TPC Powder should be mixed with this product, NOVITHOR TPC Liquid, at a ratio of 20 kg NOVITHOR TPC Powder : 5 L NOVITHOR TPC Liquid (4:1)

Mix NOVITHOR TPC Powder and NOVITHOR TPC Liquid at the correct ratio with a low speed mechanical paddle mixer until a smooth, lump free, brushable paste is achieved. Apply the paste by brush or trowel to the substrate to a minimum thickness of 4 mm. The combined product, **NOVITHOR Termite Proof Cementitious Parge** has a working time of 1 hour. The pot life is 4 hours if the pot is sealed. The cure time is 24 hours.

SUBSTRATE PREPARATION

Substrate must be structurally sound, clean and free of loose particles, dust, dirt, oils, grease, wax or other contaminating materials.

CLEAN UP

Clean all tools and application equipment with water.

STORAGE

Store in closed original containers, in a cool, well ventilated area away from children, animals, food and feedstuffs.

SAFETY DIRECTIONS

May irritate the eyes or cause an allergic skin reaction. Avoid contact with eyes and skin. To avoid skin/eye contact, rubber gloves, protective eye wear and protective clothing, should be worn. Wash hands after use.

FIRST AID

Eye Contact: Wash out immediately with fresh running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids. Seek medical attention without delay. Removal of contact lenses after an eye injury should only be undertaken by skilled personnel. **Skin Contact:** Immediately remove all contaminated clothing, including footwear. Flush skin and hair with running water (and soap if available). Seek medical attention in event of irritation. **Inhalation:** Remove from contaminated area. Other measures are usually unnecessary. **Ingestion:** Immediately give a glass of water. Contact a Poisons Information Centre 13 11 26 or a doctor.

SAFETY DATA SHEET

Additional information is listed on the Safety Data Sheet which is available from Ensysstex on request. Call Customer Service 13 35 36 or visit our web site at www.Ensysstex.com.au.

NOTICE: Ensysstex warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with Directions for Use under normal conditions of use. No warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of the product contrary to label instructions or under abnormal conditions.

See the bottom of the bottle for Batch Number and Date of Manufacture.
