

OBES6782

8 function 60cm built in electric oven
73L capacity

FEATURES

73 Litre Oven Cavity

At 73 litres, this large capacity oven will accommodate even the biggest of meals.

8 function built in electric oven

Select from a range of cooking functions to suit your needs.

Triple Glazed Door

The triple layered door with thermo-reflective glass offers not only a cooler to touch surface but also increases the energy efficiency as the heat is retained within the oven.

Digital timer/clock

Keep an eye on your cooking time with this easy to use touch control timer.
