

Rolling Bench

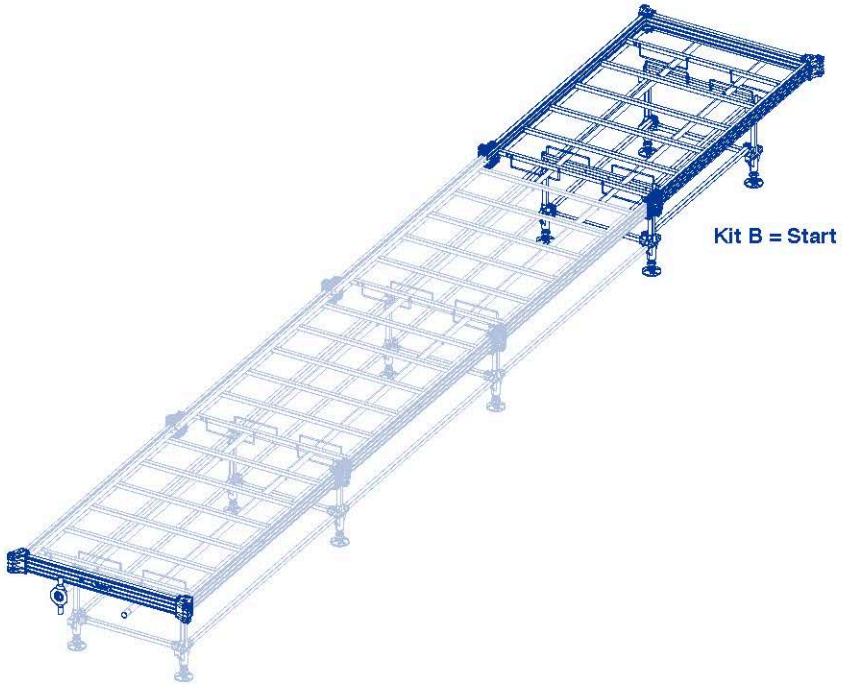

Kit B

Assembly instructions

Kit - Start

It's important to always start with Kit B when you start building a new table.

Kit - Warning

Take note that before you screw the table in the floor you have to:

- Level the entire table
- Adjust the water dripping slope
- Adjust the length of the Kit B
- Make sure that the top of the table is in straight line

Part	Qty	Description	Part	Qty	Description
# 1	X13	Mounting Nut (M6)	# A1	X2	Right Angle Plastic Connector 
# 2	X9	Mounting Bolt (M6*55L)	# B1	X2	Right Angle Plastic Connector 
# 3	X68	Mounting Bolt (M6*18L)	# B2	X2	Straight Plastic Connector 
# 4	X65	Mounting Washer	# B4	X4	Leg 
# 5	X2	Square Bar (Short)	# B-R	X1	Right Aluminum Side 
# 6	X2	V-Shape Bar	# B-L	X1	Left Aluminum Side 
# 7	X8	Mounting Bolt (M6*8L)	# A-A	X1	Aluminum Side 
# 8	X4	Square Bar (Long)	# B-B	X1	End Aluminum Side 
# 9	X8	Small Plastic Piece	# 20	X16	Plastic Cap (41*41) 
# 10	X2	Rolling Bar Kit B	# 21	X8	Square Plastic Cap (30*30) 
# 11	X2	Metal Trust With Side Holes	# 22	X2	Round Plastic Cap (D=42) 
# 12	X4	Metal Trust	# 23	X1	Round Plastic Cap (D=38) 
# 13	X8	Right Angle Metal Connector	Also includes assembly tools:		
# 18	X4	Straight Metal Connector	• Hex Wrench 4mm (x2) 		
# 19	X1	Turnable Handle	• Open-Ended Wrench 10mm (x2) 		
# C-1	X4	U-Shape Part (Long)			
# C-2	X4	U-Shape Part (Short)

Remains Parts

The remaining parts need to be used to close the table when the length is determined. The steps of the assembling of those parts are illustrated in the Kit's A booklet.

Part	Qty	Description	Part	Qty	Description
# 1	X1	Mounting Nut (M6)	# 19	X1	Turnable Handle
# 2	X1	Mounting Bolt (M6*55L)	# A1	X2	Right Angle Plastic Connector
# 3	X12	Mounting Bolt (M6*18L)	# A-A	X1	Aluminum Side
# 4	X13	Mounting Washer	# 20	X4	Plastic Cap (41*41)
# 13	X4	Right Angle Metal Connector	# 23	X1	Round Plastic Cap (D=38)
# 18	X4	Straight Metal Connector			

Keep those parts for Kit A's booklet.

IMPORTANT NOTE

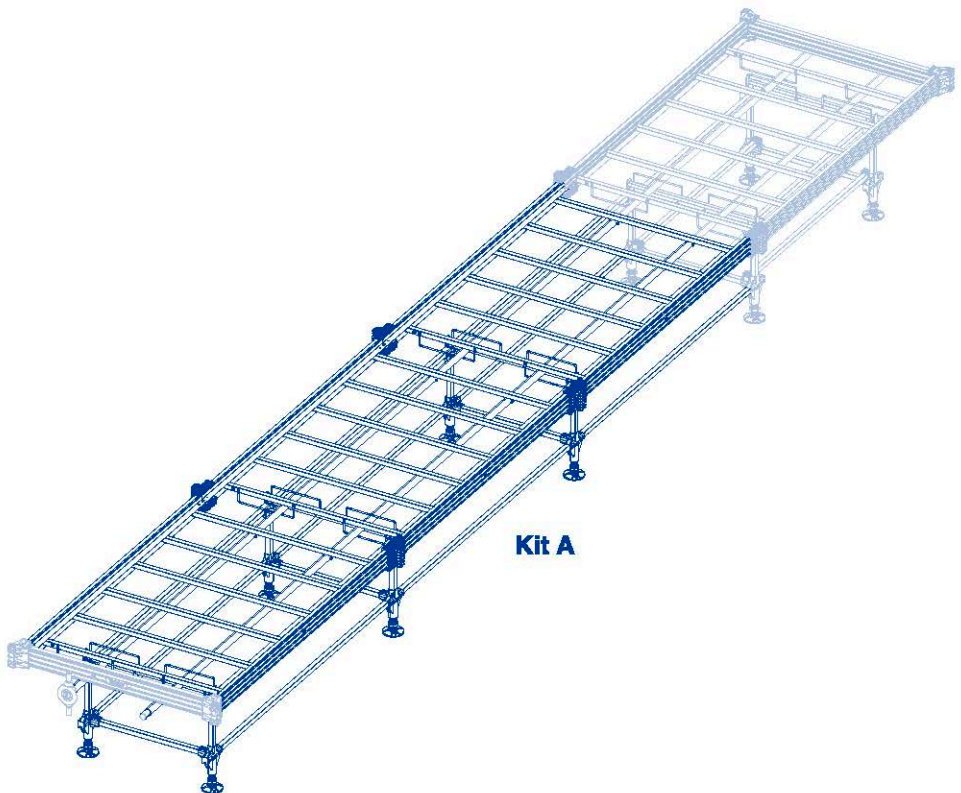

Plastic tray with drain
must always be
installed on Kit B.
