

This Tug Boat Play Pool is ready to entertain your family for a full day of splashy summer fun.

Model: 52211

Tug Boat Play Pool

Features

- Simply pump air into the inflatable play set and fill the tug boat with up to 84 litres of water, then let your children 'bring the beach' to the backyard
- The children will enjoy interacting with the two boat oars, three fish, and a ship wheel for simulated captain sailing and ship crew fishing
- Each interactive play pool comes with a repair patch for easy mending of small tears or punctures
- When play-time is over, simply use the built-in drain valve to empty the water collected within the tug boat for easy pack-up
