

Watch your child explore the depths of the backyard and scoop up sand, mulch, toys and treasures with this Ride-on Excavator.

Model: 6105

Ride-on Excavator

Features

- This Ride-on Excavator offers 50 minutes of continuous playtime with the ability to steer the ride-on and control the excavator boom and bucket
- With a 6 volt battery presenting a maximum speed of 3 kilometres, your child will be safe and secure during backyard playtime
- Charging time for the battery is between 8-10 hours, ideal to charge up overnight after a day of excavating
- The rider's maximum capacity of 30 kilograms ensures your child can get plenty of use for a couple summers, while excavating in a dashing, vibrant orange colour
