

Your child will improve visual perception, hand-eye coordination skills and simulate imagination all while having a blast with this two-in-one playtime table.

Model: 8111

2-in-1 and Water Table

Features

- With 18 playtime accessories to choose from, your child can set sail their toy boats, build and mould creations in the sand, or spin their water wheels - among hundreds of other possibilities
- Simply slide the cover on top to store all the accessories and the sand and water table now becomes a simplified, basic table for drawing or snack-time breaks
- When the sand and water adventure is over, simply pull the plug to release the water
- With detachable legs, the table and chair are easy to rinse and easy to store
