

With over 20 accessories to choose from, your child can power their very own train, build and mould creations in the sand, or spin their water wheels - among hundreds of other possibilities.

Model: 8804

Large Sand and Water Table

Features

- The only limits for the stories you can create with this exciting sand and water table are those set by your child's imagination.
- When the time to play is over, simply pull the plug to release the water.
- With over 20 accessories to choose from, your child can power their very own train, build and mould creations in the sand, or spin their water wheels - among hundreds of other possibilities.
- With detachable legs, the sand and water table is easy to rinse and easy to store.
