

3L Digital Air Fryer Model: AF301

Features

- Simply add your ingredients into its 3.0 litre capacity basket and wait as the air fryer circulates, 'superheated' air up to 200 degrees Celsius.
- The 3.0L Air Fryer is easy to control – simply set one of the four pre-set control cooking programs, set the temperature and walk away.
- Eliminating the extra cooking oil allows you to enjoy healthy meals
- Easy to maintain with dishwasher-safe basket & grill insert
