

Our state-of-the-art multifunctional air fryer uses advanced 'turbo air' technology, mimicking what oil does to food when frying.

## Model: AF350

### 3.5L Air Fryer

#### Features

- Simply add your ingredients into its 3.5 litre pan capacity and wait as the air fryer circulates, 'superheated' air up to 200 degrees Celsius
- This is not an ordinary air fryer– it features a unique pan drawer that increases the capacity size when you take out the removable pan insert
- Cook your meals in style with this elegant black shade with exclusive gold trim
- The 3.5L Air Fryer is easy to control – simply set the timer, set the temperature and walk away
- Eliminating the extra cooking oil allows the family to enjoy healthy meals
