

Eliminating the extra cooking oil allows the family to enjoy healthy meals. Let the air fryer be your chef for the evening and enjoy the healthy, tasty results.

Model: AF720

7.1L Digital Air Fryer

Features

- State-of-the-art multifunctional air fryer uses advanced 'turbo air' technology, mimicking what oil does to food when frying
- Simply add your ingredients into its massive, family-size 7.1 litre capacity and wait as the air fryer circulates, 'superheated' air up to 200 degrees Celsius for a maximum time of 60 minutes
- Enjoy easy-to-use full digital touch controls and seven convenient pre-set cooking programs including chips, steak, prawn, bake, chicken, beef and fish
- This 7.1L Digital Air Fryer is easy to control – simply set the timer, set the temperature and walk away
