

With a shake alert on the pre-set cooking programs that recommend a shake of the drawer halfway through cooking and a transparent viewing window to view the cooking process without letting the heat out, this air fryer is ready to take your frying, grilling, baking and roasting to the next level.

Model: AF810

8L Digital Air Fryer with Viewing Window

Features

- State-of-the-art multifunctional air fryer uses advanced 'turbo air' technology, mimicking what oil does to food when frying
- Simply add your ingredients into its massive, family size 8 litre capacity and wait as the air fryer circulates, 'superheated' air up to 200 degrees Celsius for a maximum time of 60 minutes
- Enjoy eight convenient pre-set touch-control cooking programs including chips, chicken, steak, fish, shrimp, bake, pizza and keep warm
- The keep warm pre-set program has a temperature range of 60 – 200°C and a time range of 1 – 120 minutes
