

This 8L Digital Air Fryer is easy to control – simply set the timer, set the temperature and walk away. Eliminating the extra cooking oil allows the family to enjoy healthy meals.

Model: AF900

8L Digital Air Fryer

Features

- State-of-the-art multifunctional air fryer uses advanced 'turbo air' technology, mimicking what oil does to food when frying
- Simply add your ingredients into its massive, family size 8 litre capacity and wait as the air fryer circulates, 'superheated' air up to 200 degrees Celsius for a maximum time of 60 minutes
- Enjoy eight convenient pre-set touch-control cooking programs including chips, chicken, prawn, cake, steak, fish, ribs and keep warm
- The keep warm pre-set program has a temperature range of 60 – 90°C and a time range of 1 – 120 minutes
