

With a left pot 6 litre capacity and right pot 4 litre capacity, cooking a chicken in the left pot and chips in the right pot is now the easier, quicker and smarter solution to home meals cooked right to perfection.

Model: AFDZ100

10L Digital Dual Zone Air Fryer

Features

- State-of-the-art multifunctional air fryer uses advanced 'turbo air' technology, mimicking what oil does to food when frying
- Simply add your ingredients into its family size, 10 litre total capacity and wait as the air fryer circulates, 'superheated' air up to 200 degrees Celsius for a maximum time of 60 minutes
- Enjoy eight convenient pre-set touch-control cooking programs including chips, bake, steak, chicken drumsticks, chicken wings, prawn, sausage and quiche
- The two non-stick detachable drawer and basket inserts feature two independent fans and heating elements as well as programmable synchronised cooking
