

## 30L Digital Multi-Function Air Fryer Oven

Loaded with a rotisserie fork set, rotisserie handle, oven rack, airfryer basket, baking pan, this innovative Multi-Function Airfryer oven is packed and ready to make meals that will take your cooking to the next level (in just a fraction of the time!).

### Features

- Advanced dual function cooking technology allows you to program your Air Fryer Oven to start cooking with one preset, then automatically transition to a second preset for a perfect cook on any meal. For example, put a bread crumb-topped casserole in the oven, set it to bake then broil, and it will cook through with a golden crisp topping to finish. Just set it and forget it. Enjoy your favorite fried food without any extra operation
- Watch as your food toasts, bakes, broils, roasts, defrosts, proofs, 'air-fry's', or dehydrates its way to perfection behind the secure, glass viewing window
- Cutting-edge, circulating 'turbo air' technology and double-layer heating elements (on the top and bottom) cooks your food quickly with minimum oil, while still providing maximum taste
