

Loaded with a rotisserie fork set, rolling cage, rotisserie handle, tray handle, mesh basket, wire rack, baking tray and crumb tray, this innovative air fryer convection oven is packed and ready to make meals that will take your cooking to the next level (in just a fraction of the time!).

Model: AFOD2600

25L Digital Air Fryer Convection Oven

Features

- Watch as your food air fry's, defrosts, bakes, broils, roasts, proofs or toasts its way to perfection behind the secure, glass viewing window coupled with an oven light button option
- This handy cooker is an ingenious, unique, all-in-one convection oven, toaster, fermenter and air fryer in one accommodating appliance with a durable steel housing body
- With three layers of simultaneous cooking, quick and easy meals for the whole family are simple to sort out
- The standard cooking program temperature range is 60 - 200°C and the defrost and proof cooking program temperature range is 30 - 60°C
- The cooking time range is 1 – 90 minutes
- With a rotisserie 360° food rotating button option, you can enjoy a mouth-watering full-size chicken, cooked to perfection on the rotisserie fork set or crispy hot chips in the rolling cage
