

Enjoy fine chocolate topped on your dessert, or even coarse cheese on top of your pasta dish; the possibilities are endless with this Cordless Rechargeable Grater.

Model: CCG300

Cordless Rechargeable Grater

Features

- Simply add your cheese, chocolate, nuts or spices into its clasp and clamp down to create either fine or coarse results
- The stainless-steel grating cylinders can be easily changed with the press of a release button
- This electric grater comes pre-packaged with fine and coarse grating cylinders with an additional shaving slicer cylinder available for purchase
- With a removable and rechargeable 800mAh battery and a charge time of 4-5 hours with a run time of 45-60 minutes
- Enjoy cordless convenience with packed-in power so hands and arms never get tired as opposed to traditional graters
- The ergonomic comfortable grip handle ensures ease of use with minimal strength required
