

Enamelled Cast Iron

Model: CIC26R

Round Casserole

Features

- 26cm – 4.7L
- Stainless steel knob - Ensures safe handling during cooking. Its sturdy construction enhances durability, making it a long-lasting accessory for your culinary needs.
- Basting spikes - The spikes on the inside of the lid, help to redistribute moisture as it condenses, ensuring a moist and flavourful result for the food being prepared.
- Dishwasher safe
- Oven-safe to 350°C
- Works on all cooktops, including induction

Specifications

- **Measurements:** 33 cm x 26cm x 12cm
