

Iced Coffee Maker

Model: CM300

Features

- Fresh iced coffee in under 4 minutes
- Rich coffee flavour: The Iced Coffee Maker uses a concentrated coffee brewing method, which results in a more intense and flavourful coffee. The concentrated coffee is then poured over ice in the tumbler, providing a quick cool-down and delivering a refreshing iced coffee beverage.
- Reusable tumbler: The iced coffee maker comes with a 650ml insulated reusable tumbler that features a straw, making it easy to drink on the go without having to remove the lid.
- Integrated measuring system
- Comes with reusable coffee filter

Specifications

- **Power:** 700 Watts
- **Accessories:** reusable tumbler, straw, reusable coffee filter
- **Measurements:** 20 x 15.5 x 32cm
- **Weight:** 1.05 kgs
- **Packaging:** 25 x 18.5 x 35.5 | 1.5kg
