

Roll out of bed to your favourite AM or FM station, with a choice of 10 AM and FM memory pre-sets a simple button press away.

## Model: CR21

### AM/FM Clock Radio

#### Features

- Roll out of bed to your favourite AM or FM station, with a choice of 10 AM and FM memory pre-sets a simple button press away
- If a classic buzzer is more likely to get your attention, choose a time-tested wake-up call
- If mornings *really* aren't your thing, choose to be woken up with both alarm systems, with this clock's dual-alarm capacity
- Its subtle, green LED display is easy-to-view by day and night, with its 0.6" size
- Simple snooze and sleep functions
- Battery back-up power source
