

Four wheels, one windshield, one steering wheel, one seat and music playback options – your child's next outdoor adventure is sure to entertain.

Model: GTR

Licensed Mercedes GTR Ride-on Car

Features

- This licensed Mercedes AMG GTR supercar replica design comes in a slick black colour
- It can reach the exciting, but safe, maximum speed of 3 km/h and holds a 12-volt battery capacity
- The battery is fully-rechargeable so the adventures never have to end
- Your little ones will enjoy the forward and reverse driving controls, LED headlights and tail-lights, power display dashboard, realistic engine and horn sounds, USB port / SD card slot to play MP3 music and battery power indicator
- Should the battery power run low while your child is out exploring, the retractable frontside towing handle will bring them back quick and easy
