

Perfect for caravans on family holiday or crushing biscuits for a dessert base at home, this compact and powerful stick mixer is a must-have companion. Treat yourself to convenience and satisfaction in the kitchen with our Stick Mixer Set.

Model: HB58

Stick Mixer Set

Features

- Affordable option to traditional blenders and stand mixers
- Compact size means easy cleaning and easy storage
- Attach the chopper or whisk to the power handle, place directly into your pot, pitcher or bowl containing your ingredients, then use the one touch control system to either turn to ON or TURBO to continuously blend your recipe
- Alternatively, tap the ON button to pulse your ingredients
- The comfortable grip handle is light and ergonomic for sturdy grip, allowing you full control of the stick mixer while being gentle on the hands
- Mix the entire contents of the bowl with ease
- Blending, mincing, chopping, whipping, pureeing and frothing are all made simple
- 700 watts of power
