

Enjoy cultural barbeque feasts with our Japanese-style traditional Hibachi Tabletop Grill. Perfect for camping, road trips, picnics, beaches and parks, this clay firebox grill is the right fit for any occasion.

Model: HBG303

Hibachi Tabletop Grill

Features

- Equipped with two carry handles for easy transport, this tabletop grill is both portable and compact using minimal space
- With just ten minutes to warm up and reaching temperatures up to 350°C, you can enjoy the earthy aromas of the clay firebox
- With dual charcoal chambers to cook at two different heat levels simultaneously as well as dual air vents
- The clay firebox retains heat with excellent insulation and the housing body is elevated on a durable steel stand to minimise any possible heat transfer
