

# PIZZA OVEN BOX

Model: POC230

## Transform your BBQ into a perfect pizza oven.

- Ultimate accessory for gas or charcoal BBQ. It is designed to sit securely on top of an existing grill (min diameter 53cm for round grills & 50x45cm for rectangular grills), instantly turning it into a perfect pizza oven.
- The even heat distribution results in perfectly crispy crusts and deliciously melted toppings. The built-in thermometer allows to monitor the temperature accurately, ensuring consistent and precise cooking every time.
- Beyond just pizzas, Pizza Oven Box opens up a world of culinary possibilities. It's perfect for baking artisanal breads and authentic Italian focaccias.
- With easy assembly and user-friendly operation, this must-have accessory is perfect for both BBQ enthusiasts and pizza aficionados.
- Easy Cleaning: Removable pizza stone for hassle-free maintenance.
- Comes fully assembled and ready to use.

### Accessories:

square pizza stone, built-in thermometer
