

# Multi-Stripper No. 400 Green Line

With the Green Line, a very special tool range has been developed. The tools are made of up to 97 % renewable raw materials, which are recyclable and have an excellent life cycle assessment. The Green Line includes various cable strippers, wire strippers, and multifunctional stripping tools. WEICON Stripping Tools enable the precise, fast, and safe stripping of all common round cables. The WEICON Multifunctional Tools offer numerous possibilities for stripping a wide variety of cable types. The product family of cable strippers includes different types featuring different additional functions and thus meeting the individual application requirements of their users.

WEICON Multi-Stripper No. 400, a universal stripping tool for the functions: circular cutting - longitudinal cutting - stripping - cutting. With this tool, cables can be stripped easily even in places that are difficult to access, e.g. in ceilings and walls, in junction and distribution boxes, switch cabinets. The contour blade can be used to strip the conductor cross-sections 0.5 mm<sup>2</sup>, 0.75 mm<sup>2</sup>, 1.5 mm<sup>2</sup>, 2.5 mm<sup>2</sup>, 4.0 mm<sup>2</sup> and 6.0 mm<sup>2</sup>. The Multi-Stripper impresses with its handy design, with a large
