- 8-11** Connecting to the App

What's in the box?

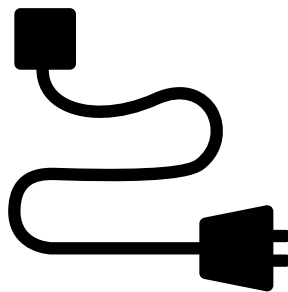

Bullet Camera

x4 fixing screws

x4 wall plugs

12v power supply

THE BEGINNING

1. Download the app

The app can be installed via the Google Play Store or the Apple App Store by searching CamHipro.

You can install the app on as many devices as you wish.

We recommend you connect to your chosen WiFi network somewhere you have a strong WiFi signal before mounting in its final position.
