

## **LIMITED WARRANTY**

All NT Quality Hardware products are warranted against defects in workmanship, materials, and/or operation subject to ordinary wear and tear as it pertains to particular installations. However, we do not warrant against defects due to improper installation or failure to exercise normal maintenance, nor against the consequences of uses for which our products were not designed. NT Quality's only obligation, whether in tort, contract or under this warranty or any express or implied warranty, is to repair or replace, at it's option, any of it's products determined by NT Quality to have been defective within one year after NT Quality's shipment of the same to NT Quality's customer. This determination can only be made when the products are returned for inspection to the factory with shipping charges prepaid. NT Quality shall not pay any repair costs performed by others unless NT Quality has given prior written approval to incur the costs on it's behalf: Products repaired or replaced under this warranty are warranted only through the remainder of the original warranty period.

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. IMPLIED WARRANTIES SHALL BE LIMITED TO THE DURATION OF THE WARRANTY PERIOD OF THIS EXPRESS WARRANTY. NT QUALITY HARDWARE SHALL UNDER NO CIRCUMSTANCES BE UABLE FOR INCIDENTAL, INDIRECT. OR CONSEQUENTIAL DAMAGES, INCLUDING ANY TORT LIABILITY FOR NEGUGENT DESIGN OR MANUFACTURE OF THIS PRODUCT. (Some states do not allow limitations on how long an implied warranty lasts or prohibit the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusions may not apply in your state.)
