FREQUENTLY ASKED QUESTIONS

Thank you for choosing Bentley Seed Co. to be your custom packet partner!
Below you will find frequently asked questions that tend to come up before, during, and after the ordering process.

QUOTES/PRICING:

FAQ – How do I know how much my order will cost?

Factors such as quantity, choice of seed, type of paper, size of packet, timelines, and number of designs are just some of the factors that go into getting you the best pricing. Once we have all the information we need, we use an algorithm that searches multiple vendors for your raw materials to get you the best possible price. For re-orders, please don't assume pricing is set.

Please contact Katie or Jeff with any questions regarding pricing prior to issuing a PO.

ISSUING A PURCHASE ORDER:

FAQ – What should I include in my purchase order?

Please email your PO to brian@bentleyseeds.com and be sure to cc becca@bentleyseeds.com, please also include the following:

- Contact name, phone, and e-mail for invoice and tracking
- Quantity of packets
- Choice of Seed
- Quoted Price
- Due Date
- Shipping address
- Who will be arranging freight (Bentley Seed or you the customer?)
- Billing address (if the same as shipping, please note)
- Pack out instructions
- Any special instructions

FAQ – I placed my PO and Artwork is approved; can I still make a quick change?

Custom packets are created using fresh crop seed, and printed from scratch. This leaves little to no room for change once the process begins. PO details cannot be changed once your order has been accepted and Artwork has been approved.

ARTWORK:

FAQ – How do I get you my artwork?

Custom packet layout instructions (PDF), and a blank dyeline (AI) will accompany this document. Having compatible art files is imperative to custom packet orders. A proof will be provided before going into production. We can't begin the process without your final approval. If you have any questions or compatibility issues, we can help get you the direction you need. Please don't hesitate to contact Nina with art or packet design questions.

FAQ – What if my order is over \$10,000?

On larger scale orders we ask for a 50% deposit at the time the PO is placed. The balance will be due prior to shipment.
