# hello there

Brittany Paige is a stationery and gift company based in the NYC metro area that specializes in illustrated goods for the unapologetic girl. The designs are inspired by city living and pop-culture and tend to be witty, empowered and sassy. The brand can be found in over 650 retailers worldwide including Macy's, Paper Source and Barnes & Noble. Brittany Paige has been featured in major publications such as Buzzfeed, Betches and GLAMOUR. It is a family-run business which includes Brittany, her mother Linda and sister Kaitlyn.

### PRODUCT SPECIFICS

Cards are digitally printed in the USA on high-quality paper. They are blank inside, come with an envelope and are sealed in a cello bag.

Sticker cards are printed and packaged the same way as our regular greeting cards, with removable affixed decal sticker. Includes a "removable sticker" call out on cello bag.

Decal stickers are approx. 3 - 3.5" in size and sold loose without packaging.

Sticker Packs contain four 3" decal stickers in a cello bag. Header card has a punched hole for hanging. Images of the stickers are printed on the back of the header card.

Pouches come with branded hangtag.

Pins are soft enamel and approx. 1" in size. They are affixed to a branded card + cello bag. Can come hole punched upon request.

Pen Sets include 4 jotter pens with black ink. Affixed to branded backer card with cello bag. Can also be sold individually loose.

Candles come in 9 oz glass jars with metal lids with no further packaging.

Wrapping Paper is one continuous sheet, rolled together and sealed in plastic wrap.

### RETURNS

We do not accept returns. If you receive any damaged items, please notify us immediately and they will be replaced.
