## DAMAGE AND LOSS

Please note with unstaffed & PYO hire you will be required to pay a **£50 Damage and Loss Fee** which is returned once kit is checked for major damages and losses. We understand there is general wear and tear which is never charged for. This is in addition to the cost of your chosen package.

This fee is not needed for staffed parties as we are responsible for the equipment whilst we are staffing the party.

## BOOKING

To book email [whistletothelane@gmail.com](mailto:whistletothelane@gmail.com). We will need to know your preferred date, timings and venue location. Don't worry if you haven't sorted your venue yet, the date is the most important thing so we can provisionally block the day out for you.

We take a booking fee of £50 to secure your date for staffed parties. This is then taken off your total cost. The remainder of your fee must be paid in full 1 week before your party. For unstaffed and PYO packages a £50 refundable damages and loss deposit secures your booking. This is separate to your package costs. This is repaid once equipment is returned and inspected. The package fee is paid in full 1 week before your party.

**Cancellations** - If you need to cancel your party you must give us a full 14 days notice. If you cancel within this time frame we will return your booking fee. Cancellations under 14 days will result in a retention of your booking fee.

Standard consumer rights apply - You have a full 14 days from the time of booking to cancel your party. Cancellations outside of this time will follow the cancellation guidelines above.
