

CONTRACT

COLLECTION

From exceptional trees come exceptional furnishings.

Nestled amongst the rolling hills of northeastern Ohio, Created™ Hardwood draws inspiration for its products from its surroundings. Merging traditional craftsmanship with the tenets of modern design, Created™ Hardwood strives to combine superior, responsibly-sourced raw materials with thoughtful purpose, producing furnishings unmatched in quality and beauty that are built to last a lifetime.

Look for the Created™ coin as a symbol of quality, respect, and a commitment to honoring each tree's legacy now, and preserving it for generations to come.

48" Inverted Edge Coffee Table in Natural Walnut

Work beautifully.

It's been proven that an appealing office environment not only makes work more enjoyable, it also increases productivity. At Created™ Hardwood, we take that notion very seriously by offering our Contract Collection of stunning conference tables, desks, and office furniture. Explore all of our products online at CreatedHardwood.com, and ask about our fully customizable options designed to fit every application.

The Created Hardwood Contract Collection doesn't just look great, it's built to work hard and work smart with optional integrated power and data ports and cord managements systems. Choose from a variety of configurations and finishes to serve multiple functions and complement each piece.
